Summary Explanation & Background:

Two public hearings are required by state law to adopt a millage rate and budget by taxing authorities levying a millage rate. The first public hearing (tentative hearing) is advertised on the Notice of Proposed Property Taxes (TRIM Notice) mailed by the Property Appraiser. The final public hearing was advertised within fifteen (15) days of adopting the tentative millage and budget. The final hearing must be held within five (5) days but no less than two (2) days after the advertisement appears in the newspaper. During the public hearing the first substantive

issue discussed shall be the millage rate necessary to fund the budget and the specific purposes for which the ad valorem tax revenues are being used. The millage rate(s) and budget must be adopted at the advertised hearing by separate votes. The City Council shall hear comments from the public regarding the proposed tax rate.

Four ordinances were introduced for the first reading with respect to the final adoption of the proposed FY2018 budget: one adopting the millage rate for the operation of the City and the voted debt service millage rate on the Series 2005 General Obligation Bonds; one adopting the General Fund and related budgets of the City; one changing the charges for services of the Solid Waste Utility Enterprise Fund; and one adopting the Enterprise Funds and Capital Improvements Programs budgets for the City.

Two resolutions have been introduced for the first reading with respect to the adoption of the proposed FY2018 budget; one with respect to establishing a formal fiscal policy on a utility Return on Investment for the General fund on the City's business-type activities; and one changing the charges for services of the Water and Sewer Utility Enterprise Fund.

The tentative operating millage rate is \$7.9250 mils which is 10% above the revenue neutral rolled-back rate of \$7.2046 mils. The voted debt service levy of \$0.4079 mils, is a reduction of \$0.0632 mils, and 31.21% below the maximum levy authorized by the Series 2005 General Obligation Bonds of \$0.5930 mils.

Alternatives:

The adoption of the final operating and voted debt service millages, annual operating, enterprise and capital budgets at the final public hearing is required by law under Florida Statute Chapter 200.

Section 2. Schedule of Fees for Meter Installation and Deposits

The city shall charge and receive from all consumers to whom service is furnished the charges and meter deposits as set forth herein for connecting to the water main, carrying the water line to meter and installation of the key curb cock with service box. All expenses involved in connecting from the property or building to the meter shall be borne by the consumer. Consumers who are requesting new service must submit an "application for service" and agree to pay a deposit based on previous credit history, if applicable, with the City of Titusville's utility department. Each applicant will be assessed a rating of either "high risk", "moderate risk", or "low risk" and the amount of the meter deposit will be based upon the assigned rating as set forth in (b) below. In the event that the applicant does not have sufficient credit history to determine their utility credit risk, the "moderate risk" deposit will be required for service.

Therefore hereby established is a uniform schedule of rates and charges for meter installation and meter deposits.

(a) Meter installation service charge.

Meter Size	New Meter Installation	New Meter Installation with Tap (if required)*
5/8 x x ¾-inch	\$334.00	\$1,844.00

1 inch	375.00	1,885.00
1½-inch	446.00	2,161.00
2-inch noncompound	527.00	2,242.00
2-inch hydrant	1,000.00	N/A
Two 2-inch manifold	Materials, labor and overhead	Materials, labor and overhead
2-inch compound or larger	Materials, labor and overhead	Materials, labor and overhead

* Add deposit as appropriate, charge for installations on state and county roads will be meter cost plus materials, labor and overhead.

(b) Deposits. The city shall place all meter deposits into a separate noninterest bearing account. Deposits shall be collected based upon the following schedule:

Meter Size	Water Deposit	Wastewater Deposit
5/8 x ¾-inch	\$40.00	\$60.00
1-inch	\$45.00	\$65.00
1½-inch	\$50.00	\$80.00
2-inch noncompound	\$140.00	\$210.00
2-inch hydrant	\$1,000.00	N/A
Two 2-inch manifold	\$140.00	\$210.00
2-inch compound	\$140.00	\$210.00
3-inch	\$280.00	\$420.00

4-inch	\$1,000.00	\$1,500.00
Larger than 4-inch	\$2,000.00	\$3,000.00

The deposits set forth in the table above are the deposits required for "moderate risk" applicants. "Low risk" applicants shall pay fifty (50) percent of the stated rate and "high risk" applicants shall pay one hundred fifty (150) percent of the stated rate.

Section 3. Schedule of Fees for Fire Protection

For an un-metered connection to the city's water system for the purpose of providing fire protection service on a stand-by basis, there shall be a charge according to the following schedule for each year or portion thereof of the services provided:

Fire Protection	
Connection Size (Inches)	Annual Fee
4 or less	\$65.00
6	\$130.00
8	\$210.00
10	\$300.00

Section 4. Schedule of fees for Cross-Connection Control Program

There is hereby established a uniform schedule of fees for the City of Titusville Water Resources Department Cross-Connection Control Program.

(1) *Backflow prevention assembly installation fee.* Any customer requiring the installation of a double check valve assembly (DCVA) shall pay according to the following schedule:

Size	Type	Cost
¾"	DCVA	\$400.00
1"	DCVA	460.00
1½"	DCVA	923.00
2"	DCVA	1,172.00

NOTE: Larger installations and fire line backflow assemblies are estimated on a case-by-case basis.

Any customer requiring the installation of a reduced pressure backflow assembly (RPBA) shall pay according to the following schedule:

Size	Type	Cost
3/4"	RPBA	\$460.00
1"	RPBA	512.00
1 1/2"	RPBA	1,019.00
2"	RPBA	1,296.00

NOTE: Larger installations and fire line backflow assemblies are estimated on a case-by-case basis.

(2) Backflow assembly testing and maintenance monthly fee.

Size	Type	Cost
3/4" to 2"	DCVA/RPBA	\$6.25
3" to 12"	DCVA/RPBA	10.00
